From the Editor

February 15, 1993

This is the beginning of a new year for the Bicycle Stamps Club. In compliance with our By-Laws, a copy of our By-Laws and a complete membership roster have been made a part of this magazine.

You might note that our By-Laws provide for the election of officers at the end of this year and consider being a candidate.

I would like to welcome those of you who have joined recently. The purpose of this club is to serve the membership. If you have questions, corrections, or ideas for improvements, drop me a line.

The enclosed Netherlands First Day Cover is a gift of the Club, and was arranged for by Bert Schaplehouman during a recent trip to that country.

Many thanks to the members who have contributed new issue information, cancellations, and other items of interest for this magazine. The members who share their information are helping all the other members; and make my job that much easier.

The Cuba issue pictures a scene inside a velodrome, but shows neither a bicycle, cyclist, nor part of the velodrome.

The Thailand issue was reported in the American press, but may have been a belated report of a 1991 issue.

Scouts' card delivery service will boost funds

COLCHESTER Scouts are running a fundraising Christmas postal service.

The service, which is being co-ordinated by the 34th Colchester Group, offers to deliver mail within the borough boundary, including Mersea Island, in time for Christmas.

The service runs until December 17 with special post boxes dotted around the area, including one at the town hall. To use the service, just drop in your mail and 10p a letter. Do not include stamps.

THE 1992 COLCHESTER SCOUTS' CYCLE MAIL

The third year of operation of the Colchester Scouts' Cycle Mail again saw the issue of 10, 20, and 50 pence stamps. The design shows a front view of Colchester Castle, the finest and largest Norman Keep in the U.K., befitting the stature of Britain's oldest recorded town, the pre-Roman CAMULODUNUM.

This year an increased demand was experienced for the 10p. postal stationery envelope and the convenience of not having to affix stamps to firms' Christmas greetings circulated by small businesses was appreciated by all concerned. The use of the post more than doubled this year and small packets were left for delivery (20p. & 50p) as well as letters of all sizes.

The post was again run by Mr. & Mrs. Dave Hampton of the 34th Colchester Group. They did all the stamping, sorting, and also made some of the deliveries. The basic charge was again 10p. per letter, which was left in the collecting boxes with the mail, generally wrapped in plastic bags. Larger items were accepted in the shops/offices by hand, together with the charge or donation to the scout funds.

Six Colchester Scout Groups and one from Mersea Island delivered the mail, after it was sorted and stamped. These were the 1st, 7th, 8th, 9th, 34th, and 36th, Colchester, and the 1st Mersea Troop. Mersea, both West and East, being a large island was particularly suitable for the operation of a local post, partly owing to the fact that the Strood approach from the mainland is often flooded at high tide, and all mail leaving the island is routed via Colchester, the main exit from this part of the coast. The area of delivery was within the Colchester town boundary and Mersea Island. Villages just outside this area such as West Bergholt, Birch, Tiptree, Ardleigh, Marks Tey, Wivenhoe (whose scouts ran their own post this year), and Bosted were specifically excluded. A few letters addressed to villages further afield were posted on via the Royal Mail. Likewise, mail to different parts of the country was delivered to the Head Post Office by the scouts. All these covers carried the Scout and Royal Mail stamps.

Every year in the last ten that I have been associated with local posts in this area, odd letters have found their way into the Royal Mail through various reasons and attracted "To Pay" labels, and this year was no exception.

The items and numbers issued this year were as follows:

Stamps -

10p. Red and gold, ordinary paper	3,984
(a) Miniature sheet of 4	70
10p. Red and gold, self adhesive labels	1,536
20p. Brown and green on yellow surfaced paper	240
(a) Miniature sheet of 4	80
50p. Green and red on light green surfaced paper	240
(a) Miniature sheet of 4	80
Proof in blue on white paper without value	68
10p. Postal stationery envelope	220
F.D.C. printed in violet and orange	170

Mail was handstamped with a rectangular "34th. Colchester/Scout Group/Christmas Mail," and date, but owing to the pressures of work, date tamping was discontinued as was the affixing of stamps at times. It should be recorded that as the numbers of letters built up, a second printing of 10p. stamps became necessary, some of which were not printed with the 10p. gold added, but the numbers of these were not recorded. The mail ran from the 8th - 17th December, inclusive, and the number of items carried was in excess of 6,100. Twelve cardboard pillar boxes were used for the post.

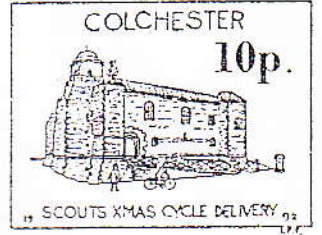

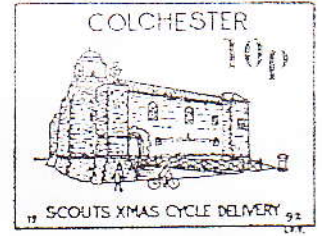

The deliveries were carried out by the scouts and cubs (with their parents), and it is felt that not only does it give them an interest and responsibility, but also an introduction to philately and cover collecting.

IN and OUT Basket

From Jan N. van Tellingen comes a note and the photo below. The same cyclists being used on stamps issued by two different countries.

The suggestion that the Club operate an auction has met with very little enthusiasm. As alternative, it is suggested that members wishing to sell spare material advertise it for sale in these columns.

The Slovenia sheet pictured on page 9 of BS13A is supposed to list all members of the Slovenia Olympic Team. Takao Ono has identified Valter Bonca as being one of the team. Can anyone identify others?

From Tony Teideman comes news that BSC member Brian Sole was reported by *Gibbons Stamp Monthly* to have won a Vermeil (Gilt Silver) Medal at Genova '92 for his entry "Go By Bicycle." Congratulations!, Brian.

Americana Philatelic News has reprinted in its Sept. - Oct. 1992 issue Raymond See's article *The Philippines' Cebu Guerilla Stamps of 1942-1943* which appeared in BS12B.

1992 NEW ISSUES

A list of all the 1992 new issues known at this time follows. Those that were new since BS13A, or which have recently been discovered, are pictured elsewhere. If anyone can add to this list or can supply any corrections, please write me.

Your Want List Specialist!

Eleonore Gerson-Reiter

During the past year I have filled literally thousands of want lists—ranging from the very easy to find stamps to much more difficult philatelic material. Although at times the search seemed virtually impossible, a little extra effort often brought unexpected results.

If you have a list of stamps you are actively trying to find and have not been able to locate, let me assist you.
